

Glow worm tunnel day out

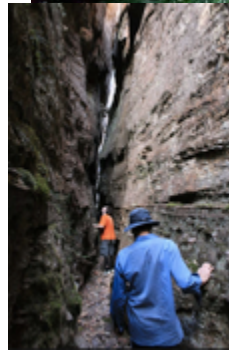

Glow worm tunnel

- take torches, very dark in tunnel
- dirt road just after leaving Lithgow, 2wd accessible
- 1 km walk from the car park
- if you walk a few hundred m's beyond end of tunnel down track alongside creek then you will come to a beautiful view into the valley
- allow about 2 hrs

Wolgan Canyon

- this is a spectacular location that is not well known but enjoyed by all
- just a few kms before the Glow Worm Tunnel car park is a small parking area on left marked with a wire fence, no sign
- this is a dry walk through canyon
- there is a bit of a scramble midway and the group will need to be reasonably capable
- allow about 1.5 hrs

Lost City

- intriguing famous pagoda rock formations
- easy 4wd track
- allow about 1 hr from main track
- best visited in the late afternoon when the sun lights up the rocks

Black Fellas Hands Cave

- ancient aboriginal cave site with art and engravings
- easy 4wd track, also 2wd access
- leave about 1.5 hrs
- you can access a bitumen road that leads back to highway about 1 km on from the site, or access site via this road if in a 2wd
